PROFILE

Aspiring Digital Marketer with hands-on internship experience in SEO, WordPress, Google Analytics 4 (GA4), Google Search Console, and Social Media Marketing. Skilled in keyword research, content optimization, campaign analysis, and website management. Eager to apply analytical and creative skills to contribute to data-driven marketing strategies and business growth.

WORK EXPERIENCE

DIGITAL MARKETING INTERN

Noodhan Technology Pvt. Ltd.

May 2025 - July 2025

- SEO & Website Optimization:** Performed Keyword Research, On-Page SEO, Technical SEO, and optimized WordPress websites using Google Search Console.
- Campaign Management:** Supported Google Ads, Social Media Marketing (SMM), Content Marketing, Email Marketing, and Lead Generation campaigns.
- Analytics & Reporting:** Tracked campaign performance using Google Analytics 4 (GA4) and built marketing dashboards with Looker Studio.
- Content Management:** Managed WordPress CMS, created digital content using Canva, and scheduled posts through Meta Business Suite.
- Performance Analysis:** Analyzed campaign KPIs and implemented data-driven optimizations to improve engagement and conversions.

PROJECTS

SEO Optimization & Website Audit

Google Analytics 4 | Google Search Console | WordPress | Rank Math

- Optimized 15+ webpages using on-page and technical SEO best practices.
- Performed keyword research, meta tag optimization, sitemap generation, and performance analysis.
- Monitored website traffic and indexing using GA4 and Google Search Console.

WordPress Business Website Development

WordPress | Elementor | Rank Math | WPForms

- Developed a responsive business website with SEO optimization.
- Configured plugins, contact forms, blog pages, and mobile-friendly layouts.
- Improved website speed, usability, and search visibility.

Marketing Analytics Dashboard

Google Analytics 4 | Looker Studio

- Created an interactive dashboard to track website traffic, user behavior, and conversions.
- Built KPI reports for traffic sources, engagement, and campaign performance.
- Delivered actionable insights using real-time marketing analytics.
